Mother Nature Science
Did You Know? We also do the BEST BIRTHDAY PARTIES and HOLIDAY CAMPS!

Science System 2! *- A Brand-New Safe, Fun, Hands-On and Enriching Science Topic Every Week, from:*

Seed Secrets! - Explore the world of plants; discover what's inside a seed and create the perfect environment to help your seed grow!
Egg Cars! - Investigate inertia and try to save the Eddie the Egg from a sticky fate.
Slime! - It's certainly fun but is it a solid or a liquid? Make your own and find out!
The Red Heads! - Discover fascinating feathered facts about woodpeckers and make your own pecking woodpecker toy!
Clucking Cups! - Use sounds and vibrations to make a clucking bird cup!

Under Pressure! - Investigate air pressure and weather. Become a weather forecaster and make your own barometer!
Filtration! - Learn about dirty water and how it can be cleaned using filtration!
Push Me, Pull You! - Pneumatics! Launch rockets and move objects using air.
Wild Wind!- Explore Tornadoes and make a fantastic wind indicator.
How Does Your Garden Grow? - Investigate greenhouse gases, then make a mini greenhouse for your growing grass seed head.

Hello - please keep the top half of this letter for future reference, especially for the club dates!

Mother Nature Science®

SCIENCE CLUB!

Have FUN with Enriching Science this Term!

With the environmental challenges facing our world today who wouldn't want their child to find science fun and engaging? That's why Mother Nature Science Club helps children achieve this by exploring a wide variety of scientific topics which are as entertaining as they are educational. Your children will watch spectacular demonstrations and participate in experiments and discussions; taking home cool science related items they have made themselves. At the start of each term we send you a 'Parent System Sheet' so you can see what your child is learning and continue to explore the science at home together! This is why our simple motto will always be - ***"Let's Have Fun With Science!"***

Key Points:

- ✓ Fun, hands-on and enquiry based
- ✓ Meets National Curriculum science standards and aids STEM learning
- ✓ Fully trained & full DBS checked instructors
- ✓ Professional lesson plans & equipment
- ✓ Complements the science classes taught in school & prepares your children for a solid foundation in science
