Parental engagement – Whole school impact			
Name of programme:	Duration programme has been running:	What it is and who is it aimed for?:	Impact:
Free ESOL English classes for parents – whole school	7 years Parents attend twice a week for 3 hours throughout year	English classes in school for parents at various stages of learning English. Initially targeted for beginners. 21 parents have completed all exams for 6 years in school 2020-2021 – sessions have continued via zoom during lockdown and blended after lockdown	121 parents have passed National qualifications of pre-entry, entry level 1, entry level 2 and currently taking Level 1 course which is equivalent to lower GCSE in English. All exams are in Speaking, listening, reading and writing. 45 parents are now in employment since completing the classes.
Parent gym – whole school	7 years Parents attend 2 hours for 6 weeks and a booster session 3 months later	Parenting sessions aimed at giving strategies and techniques to strengthen family unit, relationships, helping chn with homework, discipline, keeping chn healthy 2021 – Parent session via zoom with digital magazines – (22 parents signed up for this)	120 parents attended sessions. Evaluations from parents 100% positive. 'These sessions have changed our lives at home. We are a much calmer family and I am trying out the strategies'. Evidence in folder 'Magazines are full of ideas and I will be using them for a long time!' Stronger parent relationships
Family learning session	4 years EYFS and KS1 parents Parents attend school and do activities linked to books which parents can keep with their children	Targeted disadvantaged children and 'hard to reach families'. open to others	Parent evaluations. 'I spend more time with my children doing activities with books'. I never realised you can do so much more than just read the book. I have ideas to make it all come alive so the children remember and get excited about the book and learning'. Stronger parental relationships. Evidence in folder

Y1 and Y2 Parent workshop via zoom for phonics check up. Purchase of Phonics workbooks for parents to use at home for every child in Reception, Y1 and Y2	4 years	Additional support for Parents to support their chn with Phonics. Additional interventions for chn in Autumn term Implemented last 4 years	Feedback from parents that chn are motivated to do phonics work at home as they receive stickers when each section is completed. Feedback from chn when they have brought the books in class 'This is what I could do before. Now, I've completed all this. That's why I am better at reading'. See phonics check results
Parents involved in attending events, assemblies, BCA project, Sporting events, charity events in school, PSA, community events	Every year across whole school	Open to all parents and some events open to members of community	Commitment to working with school staff and support children through establishing strong relationships with Parents
Parent workshops for PSHCE	Across whole school	Parents informed of changes in curriculum	Positive parent feedback at end of session and comments emailed to school 'I understand how Personal development is so important for learning. Also linked with mental well-being'
Community /Parent volunteers across school supporting targeted interventions and small group work	Every year	Additional support for children identified from pupil progress meetings in different year groups based on needs	Strengthening community links Developing capacity to support children's learning All groups monitored regularly to measure impact and progress and focus changed accordingly
Going above and beyond to support whole families	Whole school ethos	Individual children's needs. Flexibility in approach such as Gordon Brown trip, pastoral support, ELSA, play therapy. Individual case studies – providing breakfast, support in time of need.	Parent feedback Strengthening parental and home links Children having right conditions and mindset for learning to begin
