Please write a summary of what you feel your child has learnt in the 7 areas of learning?

Characteristics of effective learning		
Playing and Exploring Has your child been finding out or exploring anything new? Has he/she tried something different? Explain what.	**Active Learning** How long has he/she concentrated on an activity? Have he/she tried something and kept on trying until they have completed it?	**Creating and thinking critically** Does your child talk about what he/she is thinking? Has your child talked about how they want to do something?

Personal, Social and Emotional Development (Developing confidence, taking turns, sharing, managing feelings and behaviour)	**Communication and Language** (Listening and attention, understanding and speaking)
Physical Development (Showing control and co-ordination in large movements such as riding a bike, skipping and small movements such as using scissors or writing)	**Literacy** (reading - Does he/she enjoy books? What kind of books does he/she like? writing - Making marks, writing letters, saying sounds)
Mathematical Development (Numbers, counting, ordering, recognising Naming and talking about shapes 2D and 3D)	**Understanding the World** (Awareness of how other people can be different to them, observing and commenting on things around them and any changes. Use of technology - ICT)
Expressive Arts and Design (singing songs, listening to music, dance and creates usign art and craft materials or construction)	

Any other comments:
