I recommend this programme for every parent. I am much calmer now and this has made a lot of difference to our family.

Thank you!

Parent in Y4 2021

I came to every session and it was so worth it! It changed our lives!

After the first session we thought both of us should attend. The programme helped to transform relationships at home.

It was a relief to find out that everyone is going through a similar thing and not just us!

Mr and Mrs Patel Y2

Wow! 6 weeks was just not enough!
