Using Google Classroom on Android

- **If you do not have a google account, please follow the steps below.**
- **If you already have a google account, please go down to 'Join Class'**

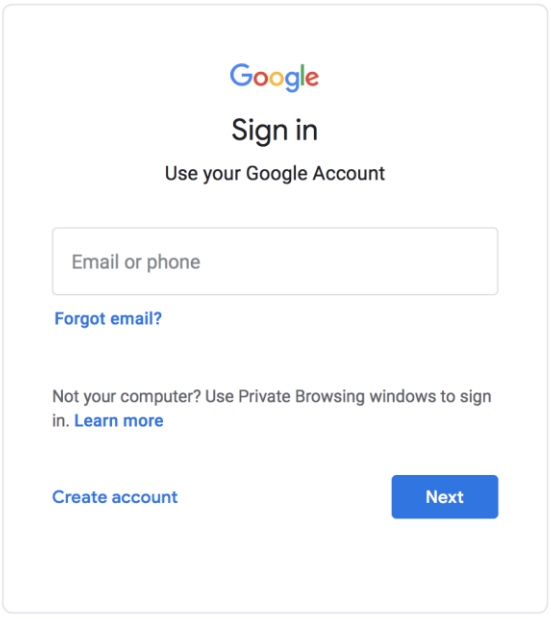

Sign in for the first time

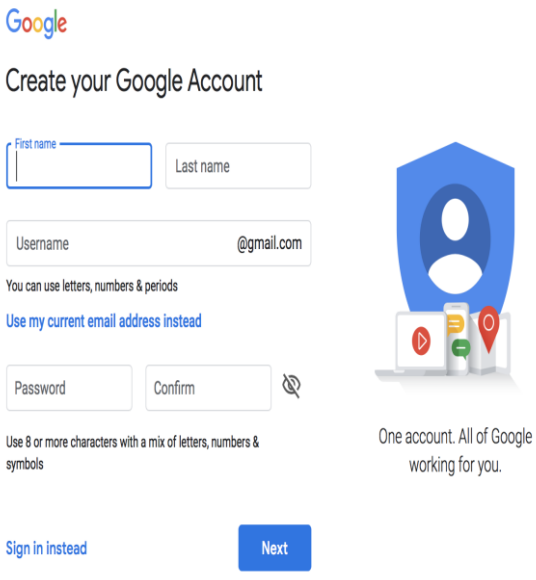

To use Classroom on your Android device, download the Classroom app from Google Play.

1. On your device, tap Google Play Store.
2. Find and install the Google Classroom app.

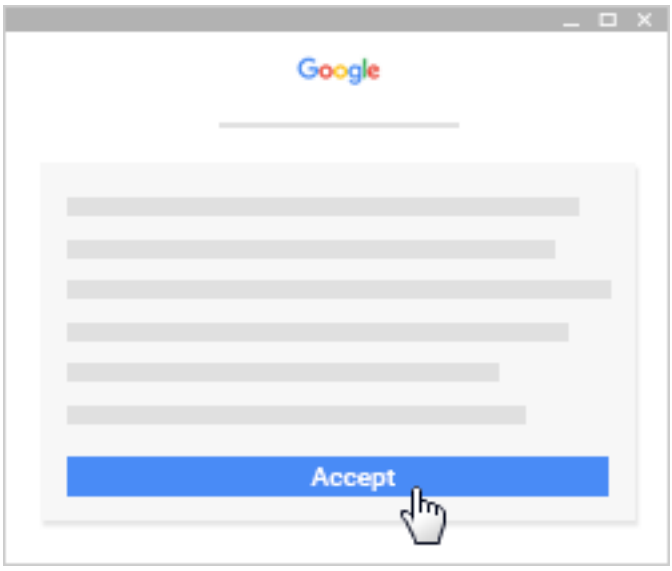

1. Click create account. Enter your child's name (so we know who it is), then click use existing email address (put your current email address).

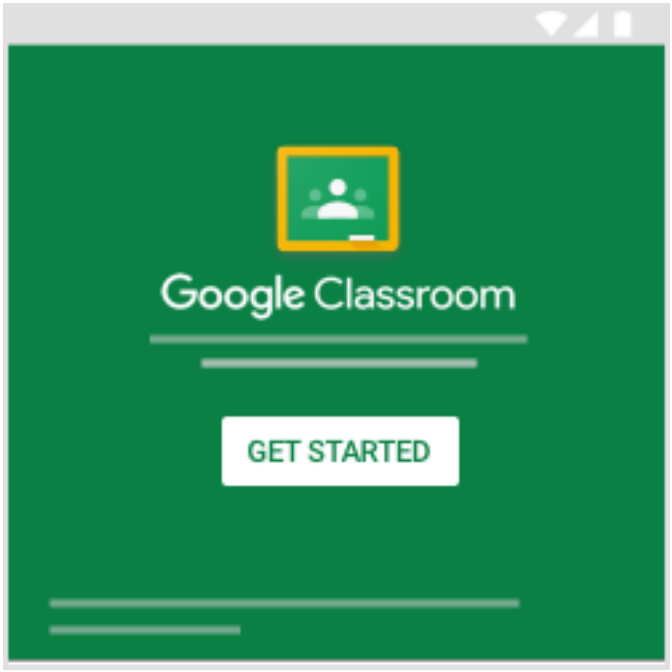

2. If there is a welcome message, read it and click Accept.

3. Click Get Started.

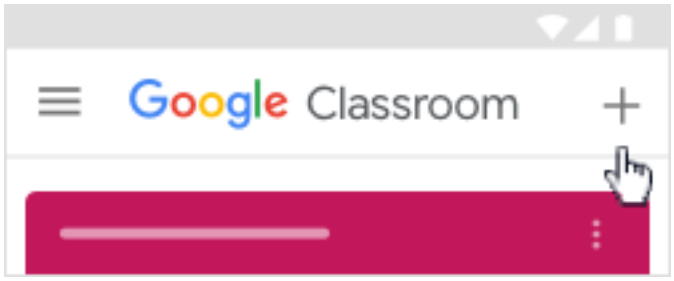

Join Class

1. Tap 'Classroom'

   Sign in with your Google Account.

2. At the top, click Add + > Join class.

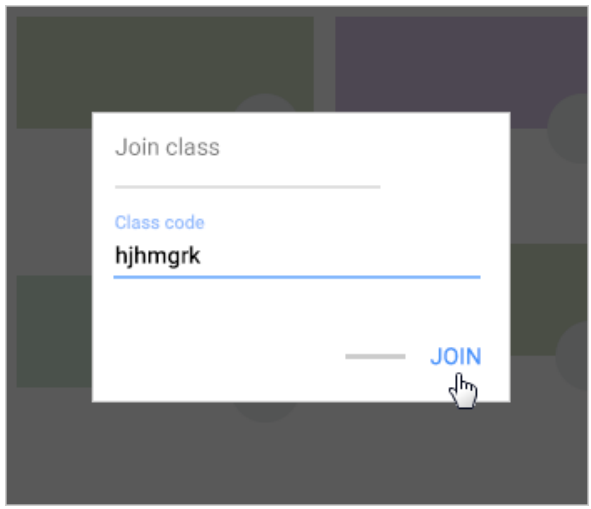

3. Enter the class code your teacher gave you and click Join.
   Class codes:

   3W – wuebhu3r

   3H – zf5ztxz6

   3C – mu3z2apg

Note: Only your teacher can change the class image. However, you can change your Classroom profile photo.

Completing work

1. Tap Classroom .
2. Tap the class > Classwork > the assignment.
3. On the Your work card, tap Expand .

4. To attach an item:
    1. Tap Add Work.
    2. Tap on Scanner.
    3. Take picture and press 'OK'
    4. Click on Save
    5. Click on Hand In
    6. Click on Hand In again
