Using Google Classroom on PC/Mac

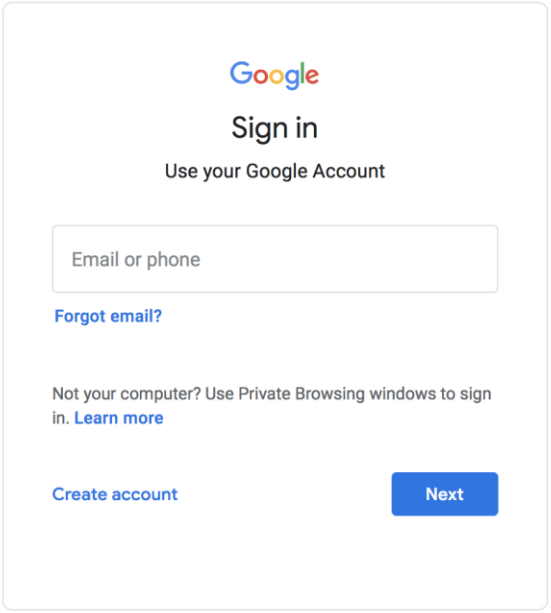

- **If you do not have a google account, please follow the steps below.**
- **If you already have a google account, please go down to 'Join Class'**

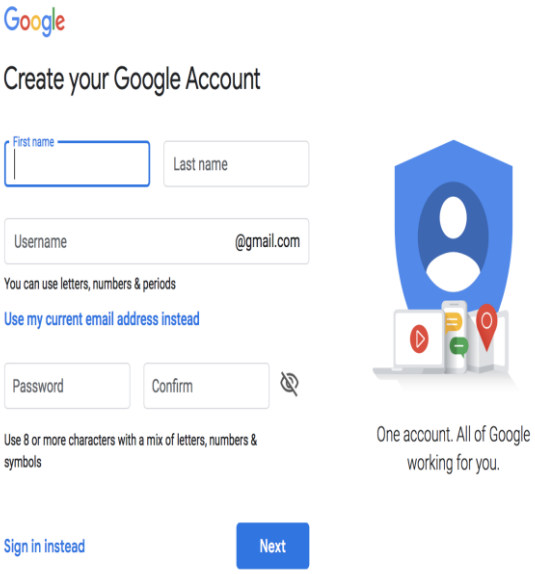

Sign in for the first time

1. Go to classroom.google.com and click Go to Classroom.

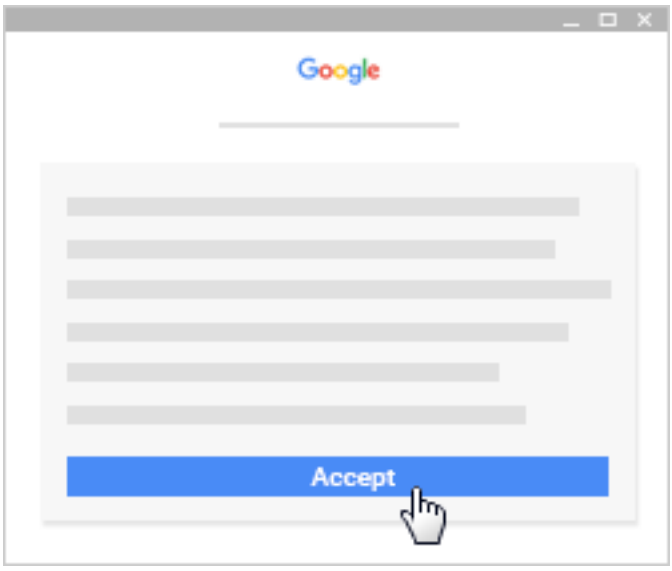

2. Click create account. Enter your child's name (so we know who it is), then click use existing email address (put your current email address).

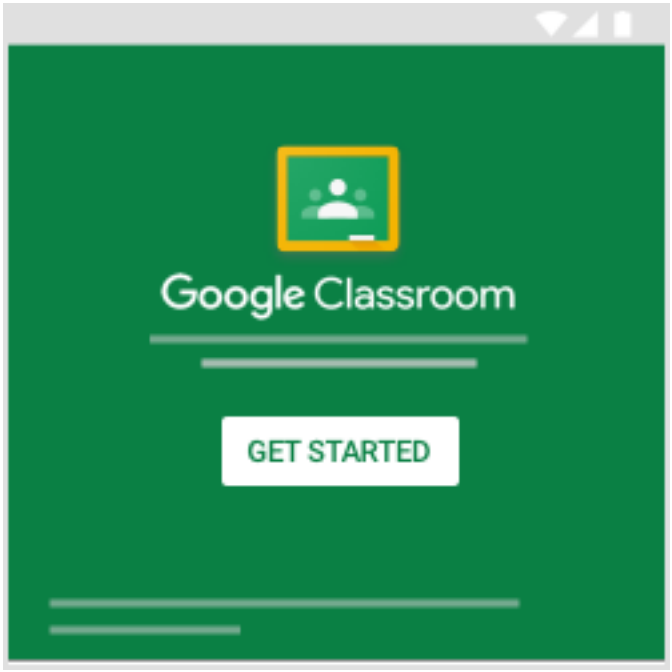

3. If there is a welcome message, read it and click Accept.

4. Click Get Started.

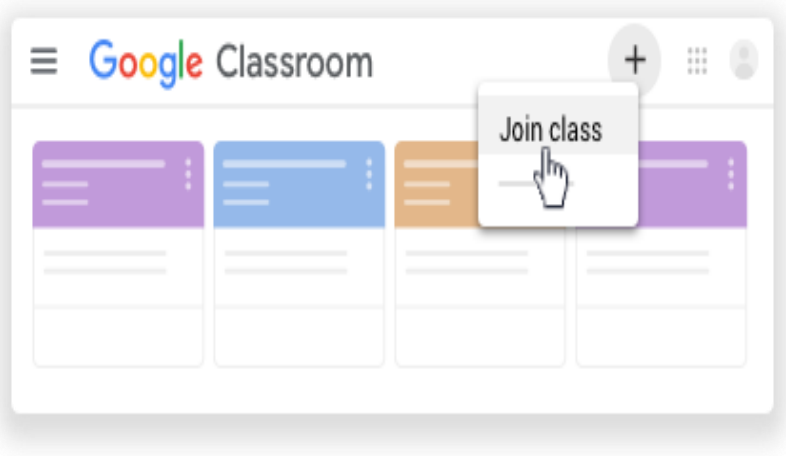

Join Class

1. Go to classroom.google.com and click Sign In.

   Sign in with your Google Account.

2. At the top, click Add + > Join class.

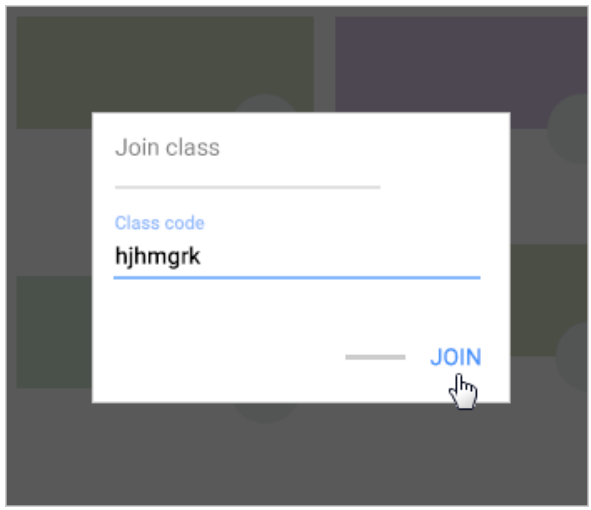

3. Enter the class code your teacher gave you and click Join.
   Class codes:

3W – wuebhu3r

3H – zf5ztxz6

3C – mu3z2apg

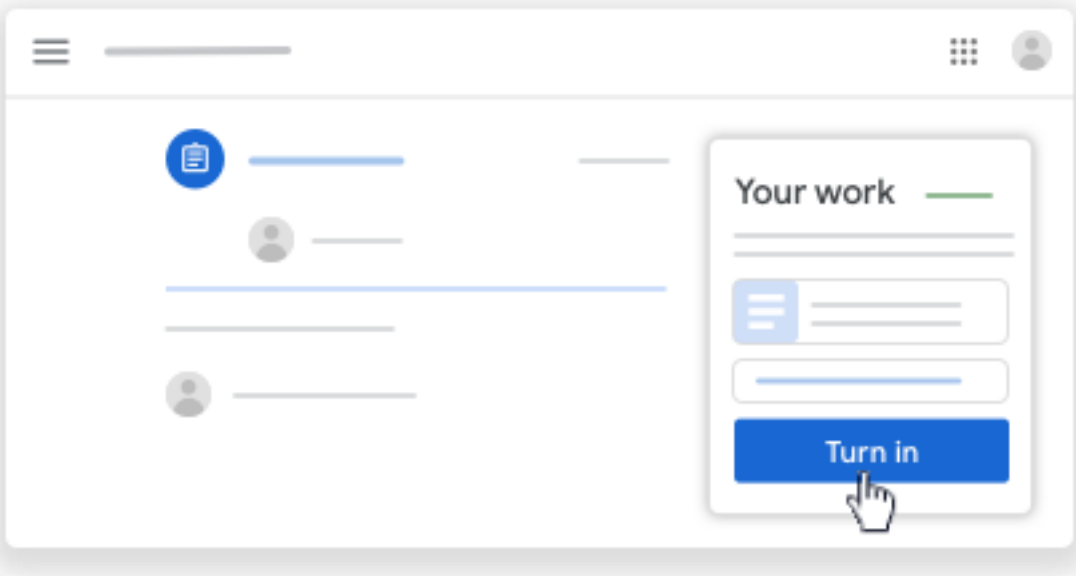

Note: Only your teacher can change the class image. However, you can change your Classroom profile photo.

Completing work

You will need to complete each task in your homework book and take a photo once it is completed. Then save the photo to a folder on your computer in order to upload to Google Classroom.

1. Go to classroom.google.com.
2. Click the class > Classwork > the assignment.
3. To open the assigned file, click 'Add or Create'
4. Click on 'File'
5. Click on 'Browse'
6. Find the image from your folder or gallery
7. Click on the chosen image file
8. Click on 'Open'
9. Click 'Hand in'
10. Click 'Turn In' to confirm.

The status of the assignment changes to Turned in.
